DynEd Pro

DynEd courses available on smart devices!

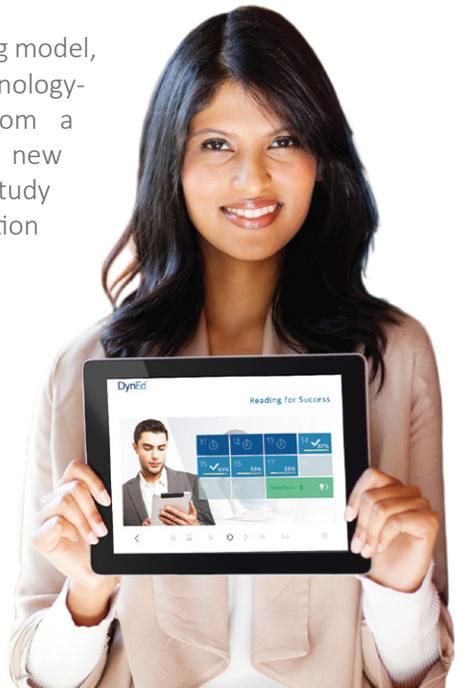

DynEd Pro brings the full suite of DynEd's professional courseware for mobile devices, making studying with DynEd easier than ever before!

Goal-Based Learning

Designed to work with our blended-learning model, our courses allow you to combine technology-assisted study with live instruction from a certified teacher or coach, and our new goal-based menu options guide your study sessions to help you achieve your Certification goals.

DynEd Pro is for DynEd students registered with one of our many school partners

If you aren't yet a DynEd Pro student, visit our mobile website and we'll help you find a school in your area that will get you started on the road to English fluency.

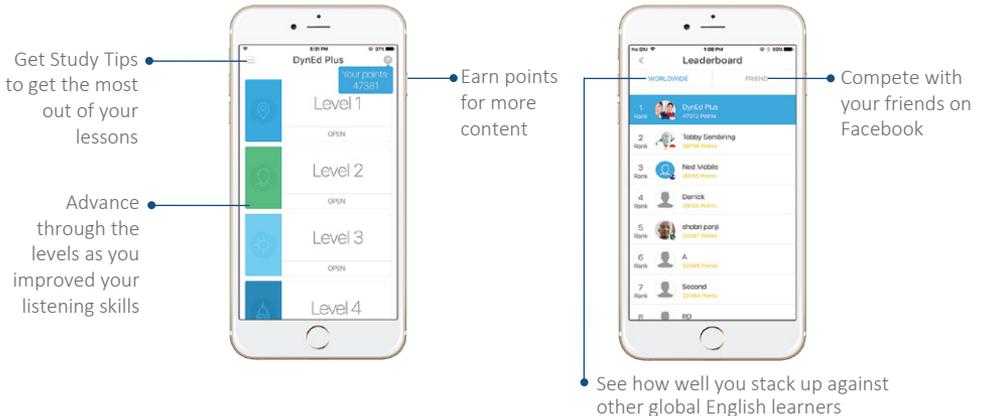

DynEd Plus

Earn points as you uncover more English learning content!

Use the *DynEd Plus* App for self-study or as supplementary listening content for any English course – especially the *DynEd Pro* suite of courseware. The more points you earn, the more engaging content will be provided, right on your smartphone or tablet.

See how your English skills stack up against other learners on DynEd's global leaderboards; or have fun competing for the highest score with your Facebook friends, all while you improve your English fluency!

Start your English language journey today!

Visit our web-based platform at mobile.dyned.com for more information on how you can complement your English studies with the mobile solution that best fits your learning needs.

At mobile.dyned.com you can also:
