On Windows machines, go to C://Program Files/DynEd/UptoDate On Mac machines, go to Macintosh HD:Applications:DynEd:UptoDate Double-click on UptoDate to open the application.

© 2015 DynEd International, Inc. All rights reserved. Designed and printed in the U.S.A. DynEd is a registered trademark of DynEd International, Inc.

If the UptoDate application itself is out-of-date, download the new version.

After UptoDate is updated, the UptoDate application will open automatically.

Choose all items with three asterisks in front of their names (***), then click on the Download button. Use the CTRL key to choose multiple items at the same time.
