

DynEd International, Inc. was founded in 1987 by a team dedicated to improving the quality of language education. The company's blended approach combines the best of teachers and technology, and is built around a brain-based learning theory that is a breakthrough in English language learning. Now, after more than 25 years of results, DynEd has the world's most comprehensive lineup of award-winning technology-based English Language Teaching (ELT/ESL) solutions.

Our Solutions

DynEd's English language solutions cover all proficiency levels and include a range of age-appropriate courses and a mobile ecosystem for private and public K-12 learners and for adults in leading corporations, airlines, universities, and vocational schools. In addition, DynEd solutions are supported by a unique Records Management System, Mastery and Placement Tests, extensive teacher-support materials, including lesson plans, teacher training, mentoring, and our award-winning, computer-assisted Teacher Training Course that helps instructors blend technology into the learning environment.

How we can help you

Designed to be used as a blended study program, our solutions provide the perfect combination of classroom education and multimedia learning. Our unique Student Certification Program keeps students motivated to reach their English learning goals. We've helped over 12 million clients in more than 40 countries across the globe to gain fluency the smart way.

International Recognition

With an impressive list of over 45 awards, DynEd courses have been approved by Ministries of Education in several countries, including France, Turkey, and China. DynEd is committed to quality education - a fact reflected in its name, "DynEd," which stands for "Dynamic Education."
