

DynEd Pro Courseware Installation Guide- ios

STEP1

Finding and Downloading the DynEd Pro iOS Installation Files

Option 1

Scan the QR code to download the DynEd Pro App.

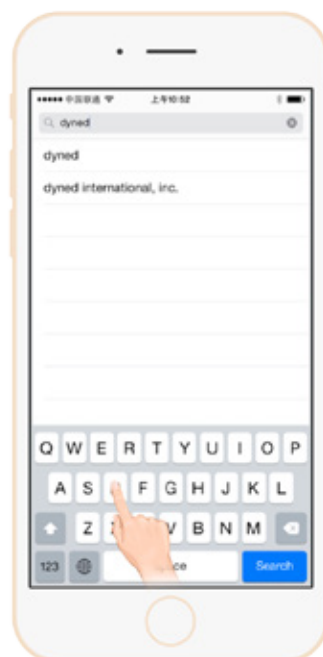

Option 2

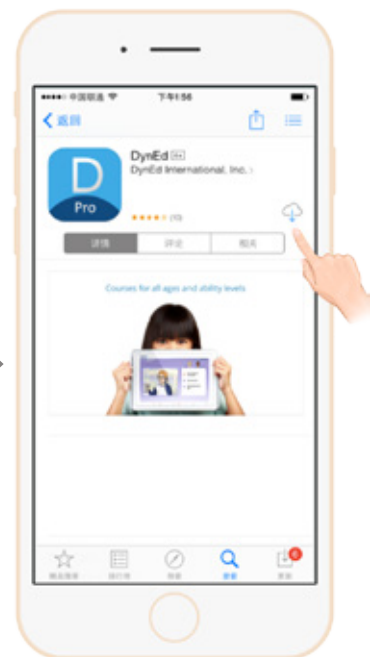

Go to the Apple store, search for "dyned," and download the DynEd Pro App.

Go to the Apple store.

Search for "dyned"

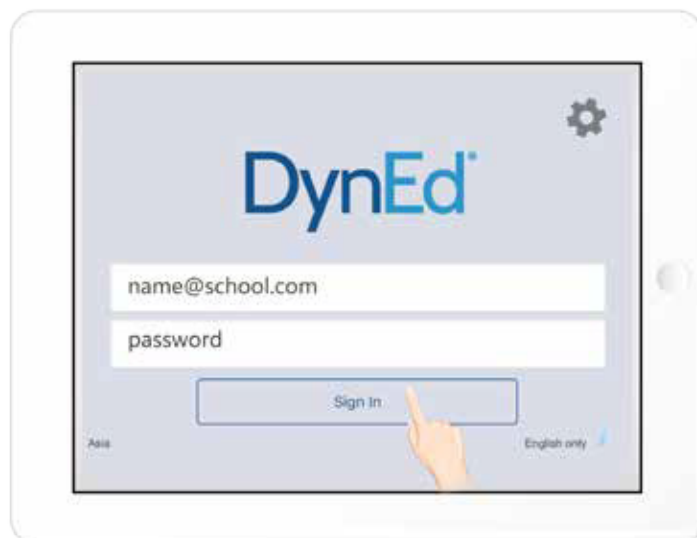

Push here to download the DynEd Pro App.

STEP2 Choosing the Correct DynEd Server

Touch the gear icon in the top right corner and then scroll to select your server.
Choosing the correct server is important. If you don't know which server to use, ask your teacher.
If you choose the wrong server, touch the gear again and choose the correct server.
Touch the gear again to return to the login page.

Type in your registered Student E-mail address and password.
(If unsure,ask your teacher.)

STEP3 Downloading DynEd Courseware

Touch the green arrow  to start the download. If the download is interrupted for any reason, when the download is next attempted, it will start where it left off.

<http://web2.dyned.com/cgi-bin/WebObjects/faq.wa/faq?id=716>

The green arrow  will disappear once the courseware has been successfully downloaded.

STEP4 Starting a DynEd Course

Touch the course,
and then the desired Unit to open it.

... and enjoy!
