Initial Certification Placement Menus – Quick Reference Card

DynEd Academic I Plan

DynEd reserves the right to modify certification criteria. v. Nov._18

- 1 Take an initial Placement Test if students have not done so already.
- 2 Complete at least 20 hours of DynEd study to be eligible for Certification.
- 3 Get a checkmark on each unit, based on 80% completion of the required lessons. Reading for Success requires only 50% completion. Review units are marked with an "R" and are optional.
- 4 Pass each open Mastery Test with 85 points or higher. If students do not pass, wait 7 days before retaking the failed test.
 - a. If students fail a second time, the teacher will have to unlock the Test.
- 5 Take an Exit Test, opened by the teacher, once students have met the requirements above.
 - a. If students do not pass the Exit Test, students need to complete an additional 6 hours of DynEd study before retaking the Test.
 - b. If students retake the Placement Test before completing the 6 additional hours, the test score will not be valid.
- 6 Open and Review lessons are based on students' initial Placement Test score and study progress. Review units may be different for some students.
